Henry Sanderson of Pennington

Richard Sanderson bp 28.1.1654/5 Leigh

There are two possibilities whenit comes to Henry of Bedford.

Thereis an earlier Henry of Bedford born abt 1834
If he married Margery in 1655, he cannot be the Henry bp 1648
But is it the same Henry that also married Eliz?

Scenario 1: Henry married Margery in 1655
they have 11 children and she died in 1680
Henry than married Eliz? And had at least 2 more children.

IS THIS HER?
